I. Parking Management Program Update

- A. Alex reported that we are still planning on parking meters should be fully functional and active after July 4th.

II. Dempsey Purchase Update

- A. There was no Dempsey update.

III. Downtown Projects Update

- A. The skateboarders downtown caused damage to the railings in front of Travis Jean Emporium. Scott Mitchell filed a complaint and the teenagers' parents have been contacted. There was a discussion about getting the teenagers to pay for the damages.

IV. East Macon Projects Update

- A. There was no East Macon update.

V. General Operations Update

- A. Alex relayed to the board members what happened at the commission meeting on Tuesday. The UDA was summoned to give a parking update.
- B. Jessica, Tabitha, and Alex met on Wednesday to discuss the UDA video. About one minute of footage was cut and re-edited. Jessica sent us a link to the video, but the link isn't working for anyone (for some reason). They said they'd give us a thumb drive with the full video on it as well as additional versions of the video from each person's perspective.
- C. The UDA has a new instagram page, per Jessica's recommendation. Slayten is the administrator and she plans on doing a social media campaign with parking meter selfies once the meters go live.
